

UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

* * *

UNITED STATES OF AMERICA,

Case No. 2:12-cr-083 -APG-GWF

Plaintiff.

ORDER

V.

BILLY STEFFEY,

Defendant.

12 Defendant Billy Steffey has filed a Motion seeking a correction to his Presentence
13 Investigative Report. (Dkt. #350.) Specifically, Steffey requests that the report be amended to (1)
14 remove the mention of charges for which he was arrested but which were dismissed, and (2)
15 attach his medical records that were filed under seal. The arrest in question is correctly noted, the
16 PSR reflects that the charges were dismissed, and the calculations of the sentencing range under
17 the Guidelines was correct. At sentencing, Steffey and his counsel were asked if the PSR
18 contained any mistakes or it needed to be amended. Nothing was mentioned.

19 With regard to Steffey's medical records, those were filed under seal as attachments to
20 Steffey's Motion for Release Pending Sentencing. (Dkt. #290.) Because they were filed under
21 seal, they were not attached to the PSR. Steffey, his family, and his counsel presumably have
22 copies of his medical records and may provide them to the Bureau of Prisons if Steffey so
23 chooses. If he wishes to have his medical records unsealed in the court docket, he may file a
24 motion to do so.

Finally, pursuant to Fed. R. Crim. P. 35, within 14 days of sentencing the court may correct a sentence that resulted from arithmetical, technical, or other clerical error. That has not occurred here.

1 For the foregoing reasons, Steffey's motion for correction of his PSR is DENIED.
